... paran ki **kalm**, ki fè timoun nan **konfyans**...

pote yon pi **bon**
ankadreman pou timoun nan

1 Pale de kovid-19 la ak timoun yo nan yon langaj ke yo ka konprann

2 Mete timoun nan an konfyans (sekirite, kijan li santi l)

3 Tounen yon egzanp pou pitit ou (nan fason ou dòmi, ou manje, mete yon distans ant moun ak moun)

4 Pa kite timoun nan tandem tout kalite nouvel

5 Kenbe menm abitid la chak jou
