LÉGENDE

Production portant principalement sur le contexte canadien ou québécois

Littérature grise

Veille préparée par [Céline Bélanger](#), M.B.S.I. & [Samuel Duchesne](#), Agent de planification, de programmation et de recherche

ÉTAT ET BESOINS DE SANTÉ

Déterminants de la santé

À la base de l'état de santé des personnes se trouvent les déterminants de la santé, tels que les habitudes de vie, les expériences de la petite enfance, le logement, l'emploi, la discrimination, etc. On trouvera dans cette section également les facteurs de risque et de protection, soit l'ensemble des éléments en amont des difficultés physiques et mentales.

AGENTS DE CHANGEMENT & SENSIBILISATION

Cette section porte sur les agents de changement qui sensibilisent les parties prenantes dans les soins et services aux personnes réfugiées et en demande d'asile. Elle porte également sur les leviers (outils, documents, interventions, etc.) utilisés, entre autres, afin de promouvoir leurs droits et déconstruire les préjugés. En anglais on parle souvent de venir en soutien à « l'empowerment » des personnes réfugiées ou en demande d'asile et « d'advocacy » ou plaidoyer.
