ÉTAT ET BESOINS DE SANTÉ

Déterminants de la santé

À la base de l'état de santé des personnes se trouvent les déterminants de la santé, tels que les habitudes de vie, les expériences de la petite enfance, le logement, l'emploi, la discrimination, etc. On trouvera dans cette section également les facteurs de risque et de protection, soit l'ensemble des éléments en amont des difficultés physiques et mentales.

Beltramo, T., Nimoh, F., Sequeira, S. et Ventevogel, P. (2025). Interconnected Challenges: Examining the Impact of Poverty, Disability, and Mental Health on Refugees and Host Communities in Northern Mozambique. *Healthcare*, 13(24). <https://doi.org/10.3390/healthcare13243187>

Trajectoires de soins

Cette section fait référence aux trajectoires de services, à la capacité des personnes à naviguer dans le système de santé et aux conséquences de ne pas accéder à des soins.

Al-Hamad, A., Yasin, Y. M., Guruge, S., Metersky, K., Catallo, C., Amanzai, H., Zhuang, Z., Wang, L., Yang, L., Kanan, L. et Chamas, Y. (2026). Aging in Cross-Cultural Contexts: Transnational Healthcare Practices Among Older Syrian Refugees in the Greater Toronto Area. *Journal of Ageing and Longevity*, 6(1). <https://doi.org/10.3390/jal6010013>

[Retour à la table des matières](#)

Interprétation

Les barrières linguistiques représentent un enjeu majeur dans l'accès aux services de santé et sociaux pour les personnes réfugiées et en demande d'asile. Cette section traite des difficultés d'accès à un-e interprète et liées au travail avec un-e interprète.

Pitta, A., Tziritidou-Chatzopoulou, M., Tsiotsias, A. et Savvidis, S. (2026). Bridging the Language Gap in Healthcare: A Narrative Review of Interpretation Services and Access to Care for Immigrants and Refugees in Greece and Europe. *Healthcare*, 14(2). <https://doi.org/10.3390/healthcare14020215>

[Retour à la table des matières](#)

AGENTS DE CHANGEMENT & SENSIBILISATION

Cette section porte sur les agents de changement qui sensibilisent les parties prenantes dans les soins et services aux personnes réfugiées et en demande d'asile. Elle porte également sur les leviers (outils, documents, interventions, etc.) utilisés, entre autres, afin de promouvoir leurs droits et déconstruire les préjugés. En anglais on parle souvent de venir en soutien à « l'empowerment » des personnes réfugiées ou en demande d'asile et « d'advocacy » ou plaidoyer.

Alnaji, N., Akesson, B., Stewart-Tufescu, A., Hafiz, M. G., Hoque, S., Hoque, F. U., Alyahya, R. A., Naim, C., Alrkabi, S. Z., ElRayes, W. et Mahmood, I. (2026).
