ÉTAT ET BESOINS DE SANTÉ

Déterminants de la santé

À la base de l'état de santé des personnes se trouvent les déterminants de la santé, tels que les habitudes de vie, les expériences de la petite enfance, le logement, l'emploi, la discrimination, etc. On trouvera dans cette section également les facteurs de risque et de protection, soit l'ensemble des éléments en amont des difficultés physiques et mentales.

PRATIQUES ET INTERVENTIONS

Pratiques cliniques

Cette section inclut des articles faisant état de pratiques spécifiques dans un contexte donné auprès des personnes réfugiées et en demande d'asile.

- Achore, M., Abu, T. Z., Mbaya, P. Y. et Yeboah, E. O. (2026). Correction: Exploring the role of cash-based interventions in alleviating food insecurity among the forcibly displaced: the case of Rohingya refugees, Bangladesh. *Conflict and Health*, 20(1), 11. <https://doi.org/10.1186/s13031-026-00752-x>
- Gonçalves, R., Marques, M. J., Sibeoni, J. et Dias, S. (2026). Can we protect refugee children from mental health problems?— a scoping review of modifiable factors to inform preventive interventions. *BMC Medicine*. <https://doi.org/10.1186/s12916-026-04619-z>
- Ndlovu, J. N., Andersen, L. S., Leku, M. R., Upadhya, N., Skovdal, M., Augustinavicius, J. L. et Tol, W. A. (2025). "My home is (now) at peace": Evaluating the relevance, acceptability and potential scalability of a guided self-help intervention for male refugees in Uganda. *PLOS Mental Health*, 2(3), e0000079. <https://doi.org/10.1371/journal.pmen.0000079>

Rooney, M. E., R. Gaspar, C., Jahromi, L. B. et Rodriguez, S. (2025). Supporting the Engagement of Newcomer Families Throughout the Special Education Kindergarten Transition: A Culturally Inclusive Approach From One Head Start Program. *Young Exceptional Children*, 28(4), 183-200. <https://doi.org/10.1177/10962506251353530>

Sasie, S. D., Alava, M. A., Fekadu, L., Misganaw, H. W., Gebeyehu, T. A., Ali, N. Z., Dema, S. T., Afele, M. A. et Argaw, Z. M. (2026). Community health assets and refugee wellbeing: Qualitative evidence across mental health, disability inclusion, end-of-life care, and women's health – A global scoping review. *PLOS Global Public Health*, 6(2), e0005459. <https://doi.org/10.1371/journal.pgph.0005459>

[Retour à la table des matières](#)

Compétences culturelles et psychiatrie/psychothérapie interculturelle

Cette section concerne les compétences des intervenant-e-s et les modalités de formation en matière d'approches interculturelles.

Esser, A. J., Willems, J., Klein, M., Hufnagel, M., Langer, T. et Spielberger, B. D. (2026). Cross-sectional survey among professionals on communication and mental health care for asylum seeking and refugee minors in Germany. *Communications Medicine*. <https://doi.org/10.1038/s43856-026-01415-x>

Wassif, A. R., Najafizada, M. et Mulay, S. (2026). Influence of cultural beliefs and practices on unassisted homebirths in Afghanistan: A qualitative exploration. *PLOS Global Public Health*, 6(1), e0005870. <https://doi.org/10.1371/journal.pgph.0005870>

[Retour à la table des matières](#)

Pratiques de recherche

La recherche menée auprès des personnes réfugiées et en demande d'asile comporte certaines spécificités méthodologiques qui font parfois l'objet d'articles à part entière. On les retrouvera dans cette section.

Nakkash, R., Fares, M., Tleis, M., Mugharbil, S., Antaby, M., Al Masri, H., Ghandour, L., Al Halabi, F., Najjar, Y., Louis, B. et Afifi, R. (2024). Power sharing in community-engaged research with Syrian refugees in Lebanon: Using community engagement to shape intervention fit to context. *SSM - Mental Health*, 6, 100358. <https://doi.org/10.1016/j.ssmmh.2024.100358>

AGENTS DE CHANGEMENT & SENSIBILISATION

Cette section porte sur les agents de changement qui sensibilisent les parties prenantes dans les soins et services aux personnes réfugiées et en demande d'asile. Elle porte également sur les leviers (outils, documents, interventions, etc.) utilisés, entre autres, afin de promouvoir leurs droits et déconstruire les préjugés. En anglais on parle souvent de venir en soutien à « l'empowerment » des personnes réfugiées ou en demande d'asile et « d'advocacy » ou plaidoyer.
